

Gifts/Abilities Survey

We all have gifts and abilities, talents that God has given us. Each person is called to discern and accept the gifts we have and prayerfully consider how we may share our talent. To help us think more about these gifts and how they may serve the parish family, the stewardship committee is asking that we participate in a survey of skills and abilities.

Please think about what skills and abilities have been given to you. The survey lists some skills; if you have that skill, check that on the list. If you feel you have an ability that is not listed, feel free to write it in. Once we compile the responses, we will report back the results to the parish.

You do not need to give your name. We are not asking for any commitment at this time.
